

Fly with Flazingo

You hate hiring, don't have the time or money to search, aren't confident about how to hire, or you just like our name. Whatever your reason, Flazingo has a revolutionary solution: Forget contingency or hourly recruiting fees. You pay one low flat fee and receive your own Flazingo consultant and the roadmap to hire quality. The end result: quality candidates straight to your desk.

Understanding Our System.

1 > Gather

To understand your ideal candidate, we discover your company values and operations. We gather the requirements for your open position, as well as the qualities your ideal candidate needs to succeed on the job.

2 > Create

We create a custom profile of the perfect candidate.

Using your job criteria and our world-class system, we create a customized set of selection tools to identify your candidates.

3 > Present

From hundreds to a handful, we filter out candidates—presenting only the most qualified for your job.

Our selections consist of people who possess the qualities you require, as well as the work ethic and culture you expect.

4 > Guide

To complete the hire, your consultant guides you through the final selection process.

We equip you with the tools you need to successfully integrate your new employee.
